PRP REGISTRATION ONLY OPEN UNTIL JUNE 16, 2018

Revised ²⁰6/18/2018

Gaylord National Resort & Convention Center - National Harbor, MD

Proof of the PRP/STPRP certification assures your customer that he/she is dealing with a professional who has the education and technical competence to provide safe and efficient service. These certifications separates you from those who claim to be professionals but do not have your knowledge or training. Sitting for an exam that includes the mandatory categories or includes at least 8 electives is approved for a 1/2 point towards the ALOA PRP/STPRP recertification requirements. If you plan to participate in the PRP/STPRP, include the proper fee on the convention registration form, complete the PRP/STPRP registration form and submit it along with your convention registration form.

Those taking the Lincoln Memorial 5-day package may sit for the PRP/STPRP free of charge. Must register for testing before June 16, 2018. Submit test options on the right with your registration.

Note: The PRP Resource Guide and the Safe Technician's Reference Manual can be ordered on the Registration Form.

NOTE: PRP Elective tests can only be taken once during convention. For example, you cannot take an after-class test PRP Exam and also take that exam at the PRP/STPRP Testing sitting.

IMPORTANT: PHOTO ID REQUIRED FOR ADMITTANCE TO EXAM ROOM.
